**ORDER DENYING DEBTOR'S MOTION TO WAIVE THE FILING FEE FOR
MOTION TO REOPEN CASE**

This case is before the Court on Debtor's "Amended Application for Waiver of \$260 Motion Fee to Reopen Case for the Sole Purpose of Filing Certificate of Financial Management Course," filed on August 7, 2009 (Docket # 42, the "Amended Motion").¹ The Debtor's case was closed without a discharge on May 14, 2009 because of Debtor's failure to file a Financial Management Course Certificate proving Debtor's completion of the required instructional course in personal financial management. Debtor now seeks (1) to reopen the case in order to file a Financial Management Course Certificate so that he may qualify for a discharge; and (2) waiver of the filing fee for the motion to reopen the case. The Court does not have the authority to waive this filing fee in this case.

Accordingly,

IT IS ORDERED that Debtor's "Amended Application for Waiver of \$260 Motion Fee to Reopen Case for the Sole Purpose of Filing Certificate of Financial Management Course," (Docket # 42), is DENIED. If Debtor seeks to reopen the case to file to file a Financial Management Course Certificate so that he may qualify for a discharge, he must file a motion to

¹ Debtor filed an "Application for Waiver of Motion Fee" on July 28, 2009 (Docket # 39). The Amended Motion supercedes the July 28, 2009 Application.

reopen the case and pay the filing fee for that motion.
